**Notice:**

The listed cards were tested successfully with this model. Over time, those specific cards may become unavailable. At that time, it would be best to contact the CF/SD card manufacturer directly and have them suggest the most appropriate current model.

The majority of the media listed are the Japanese model names.  
To get the North American equivalent of these particular manufacturers...

SanDisk: Remove the 3 character suffix (-JXX)

Lexar: Change the JP characters to NA

Panasonic: Change the J character to A or U

In other cases, you can contact the media manufacturer directly using the model name of the media you are interested in.

C.Pass= Conditional pass. Use the card after formatting by the unit.

NG = NO GOOD
